Re: Boucher for Congress  
Identification Number: C00178418  
Amended 12 Day Pre-Primary Report (4/1/96-4/22/96)

Dear Ms. Tyndle:

I am writing in regard to the letter which the Boucher for Congress Committee received from the Federal Election Commission dated August 8, 1996. In your letter, you stated that the FEC had not yet received a response to its July 16 letter in which you requested additional information. You also indicated that although the FEC had received an amendment dated July 15, it did not address the question raised in the FEC's letter.

I have recently accepted employment with the campaign Committee as finance director and assistant treasurer and will be preparing the Committee's FEC reports in the future. In going through the Committee's files, it appears that my predecessor has filed another amendment dated August 1 which may address the FEC's concerns. Please advise me as soon as possible regarding the status of your request for additional information. I assume that your letter of August 8 and Ms. Michelle Posser's most recent amendment of August 1 simply crossed in the mail.

If you have any questions, please feel free to call me directly at my home at (540)628-9540. I look forward to hearing from you soon. With kind regards, I am

Sincerely,

A handwritten signature in cursive script, appearing to read "Deirdre S. Goldsmith".
